Liability for content

As a service provider, we are responsible for our own content on these pages under general law in accordance with Section 7 (1) TMG. According to §§ 8 to 10 TMG, as a service provider, we are not obliged to monitor transmitted or stored third-party information or to investigate circumstances that indicate illegal activity. Obligations to remove or block the use of information under general law remain unaffected. Liability in this regard is only possible from the point in time at which we become aware of a specific legal violation. As soon as we become aware of such legal violations, we will remove this content immediately.

Liability for links

Our offer contains links to external third-party websites over whose content we have no influence. Therefore, we cannot accept any liability for this third-party content. The respective provider or operator of the pages is always responsible for the content of the linked pages. The linked pages were checked for possible legal violations at the time they were linked. Illegal content was not recognizable at the time of linking. A permanent control of the content of the linked pages is not reasonable without concrete evidence of an infringement. If we become aware of legal violations, we will remove such links immediately.
